

Oxford Medical School invites you to...

Love your Brain!

Two FREE events on keeping your brain healthy

Learn about brain health, hear short talks, meet our healthcare team & ask them questions

Creative activities for all ages, including for children; bring your creations home!

Drop by anytime - refreshments provided

Saturday 25th November 10am-12pm

Rose Hill Community Centre, Carole's Way, OX4 4HF

Sunday 26th November 2:30pm-4:30pm

Ark-T @The Venue, 242B Barns Road, OX4 3RQ

If you live with a neurological condition such as Parkinson's, MS or neuropathy find out more on getting involved with teaching at the Oxford Medical School or email:
